PROFIX Sp. z o.o.
ul. Marywilska 34 | 03-228 Warsaw | Poland

Łomna Las 2020.06.03

STATEMENT

We hereby declare that PPR braided lines with PROFIX codes: **60903, 60904, 60905, 60906, 60908, 60910, 60912, 60914, 60916, 60918, 60920** are used for gardening and small household applications. These are not certified lines, so they cannot be used in any industry where it is possible to expose people to the danger of their tearing or ripping.

These links are not for lifting.

These products do not fall within the scope of the New Approach Directive and are not subject to the obligation of CE marking, nor are they subject to the obligation to issue the Declaration of Conformity.

Application restrictions:

1. Do not use the line to lift people and animals.
2. Do not use the as a climbing rope
3. Do not use the line to tow vehicles.

COMMENTS

4. Check the condition of the line before each use.
5. Do not use if you notice damage
6. Avoid contact of the line with sharp edges.
7. Avoid contact of the line with hot objects.
8. Protect the line against adverse weather conditions.
9. Store in dry, shady and well-ventilated rooms.
10. Keep it wounded on the drum.
11. Observe safety regulations during use.

The lines have been tested for the real breaking force

Symbol	Description	Extension relative [%]	Load that damages the whole rope [daN]
60903	POLYPROPYLENE LINE ϕ 3mm	24,3	160,5
60904	POLYPROPYLENE LINE ϕ 4mm	23,9	245,6
60905	POLYPROPYLENE LINE ϕ 5mm	25,1	354,2
60906	POLYPROPYLENE LINE ϕ 6mm	26,5	435,5
60908	POLYPROPYLENE LINE ϕ 8mm	25,6	820,6
60910	POLYPROPYLENE LINE ϕ 10mm	24,6	1250,0
60912	POLYPROPYLENE LINE ϕ 12mm	25,3	1430,6
60914	POLYPROPYLENE LINE ϕ 14mm	27,9	1750,5
60916	POLYPROPYLENE LINE ϕ 16mm	27,9	2045,5
60918	POLYPROPYLENE LINE ϕ 18mm	25,6	2950,5
60920	POLYPROPYLENE LINE ϕ 20mm	26,8	3350,0
